

# General practice is fantastic value!

# £136

Is how much each practice is funded, on average, to care for one patient for a year

## £240

Is how much a basic Sky TV package costs

## £179

Is how much a monthly haircut would cost

## £150

Is the price of the cheapest 4g phone contract

New government guidelines mean we have to let you know how much the GPs in this practice earn on average.

We have 11 full and part-time GPs.  
They earn £59,430 on average each year.
